WELCOME BACK

Welcome back to school for another busy term. I trust that you all had an enjoyable holiday with your families and feel refreshed. I had a quiet break with plenty of time to spend with my children and my family. I've enjoyed listening to students talk about their holidays and the variety of activities they all got up to.

LAKE NILLAHCOOTIE CAMP

I'm excited for the Grade 5/6 students that will be heading to Lake Nillahcootie Camp next week. Camp is a fantastic opportunity for students to challenge themselves to try new things and to develop independence. If you have not already finalised payment or returned medical forms please contact Gabrielle in the office to make arrangements to do so.

While the Grade 5/6 students are on camp, the rest of the students will work here at school in a slightly different format. The Grade 4 students will work in the Foundation to Grade 3 building for the week and we will be making a Grade 2/3 class and a Grade 3/4 class for the week. The Grade 3 students will be split to make even class sizes for the purpose of going to the specialist teachers (Science, Music and the MACC van).

NEW SMOKING BANS

As you may be aware, from 13 April 2015, smoking is banned within four metres of an entrance to all primary and secondary schools in Victoria, and within the school grounds, under an amendment to the *Tobacco Act 1987*. We will be updating the existing no smoking signs around the school to inform people of the new bans.
