EXTENDED STAY AND SLEEPOVER

Our Prep-2 students participated in the first stage of our school's camping program last week. The extended stay and sleepover is a great way for students to begin developing their independence and resilience away from home. I would like to give a huge thank you to all of the parents that volunteered their time to help with the event. We were all very well fed and catered for! Those who slept over did manage to get some sleep, although it was a very early start in the morning!

GRADE 3/4 BALLARAT CAMP

I have checked in with Mr Wright on the Grade 3/4 Camp and everything is going well. They are enjoying Sovereign Hill today, I could hear strikes being bowled at the bowling alley in the background when I was on the phone. I am sure you are all excited to hear more stories when they arrive back at school on Friday afternoon at approximately 4pm.

T/20 BLAST:

The children involved has a very successful day in Shepparton with both teams making it to the finals. The Girls team played Bouchier Street and won, so they now progress to the next level.

The Boys team also played in the finals against Bouchier Street, however they were beaten by 20 runs.

Thanks to Brett Walters for coaching the Boys team and the other Parents who supported the children.
