2.15 pm

APRIL

Mon 13th — Term 2 commences

Mon 20th to Fri 24th —
Year 5/6 Lake Nillahcootie Camp

DATES TO REMEMBER

Our Next meeting will be held at the school on Monday 16th March after Assembly. All most welcome to come and join us as we fundraise to assist with the swimming program and camps programs.

Our fundraisers this term are:

P & F Lunch—Friday 6th March.

Easter Raffle—donations needed and drawn the last day of Term.

A stall at the Katandra Car and Produce Market — Sunday 22nd March. Helpers will be needed for this day. Contact the school if you can assist.

Term 2, we will be having a Pie Drive and in Term 3 a Bunnings BBQ. Also we will be having lunch day twice a term, in Terms, 2, 3 & 4.

PARENTS & FRIENDS

ANAPHYLAXIS - EGGS

This year we do have a student in the Prep/1 classroom who is anaphylactic to eggs. It would be very helpful if you could please avoid sending eggs in sandwiches and other items where eggs are the main ingredients, such as quiche.

However, we know that eggs are included in many foods and because of this the following procedure will be applied:

Children will eat at their desks, but anyone with egg will be seated at a designated desk

Tables will be wiped when children finish eating

Children will then wash their hands before going to play

Please do not be concerned about sending in birthday cakes, as an egg free alternative will be given to the child with the egg allergy. We really appreciate your support in this matter.

PARENT/TEACHER INTERVIEWS

Thank you to the families who attended an interview with their child's teacher yesterday. It was a fantastic opportunity for teachers to further develop a partnership with parents and discuss the needs and learning of students. If you were unable to make it to an interview, please arrange an interview at a convenient time with your child's teacher.

AQUAMOVES CLUSTER DAY

Over time, our students have been able to develop friendships with students attending other schools in our Cluster through various activities at Cluster Days. Our next organized gathering is soon approaching, Friday March 13th. Details regarding the upcoming Cluster Day at Aquamoves will be given out along with this newsletter.

JUNIOR SWIMMING PROGRAM

The junior swimming program (P-3) is not too far away, Monday 16th to Friday 20th March. This will be a busy and tiring time for students. You can start preparing for this time by labelling items such as swimmers and towels and also giving young students opportunities to practice changing into their swimmers. It will also be important for students to have a good night's sleep and a filling breakfast to prepare for the active days they will have.

GRADE 5/6 LAKE NILLAHCOOTIE CAMP

Our Grade 5/6 students are heading off to Lake Nillahcootie Camp early in Term 2. A note with details of this camp will be handed out with today's newsletter.

MEDICAL FORMS

With all of the upcoming events, it is important that you return the pink medical form to the office. It is also important to ensure that you notify the office if your details, such as phone number and address, change.

SHEPP NEWS PHOTOS

Yesterday our Prep students and our School Captains had their photos taken by the Shepp News. We will let you know when these photos will be published in the Shepp News, as soon as we know.

FROM THE PRINCIPAL-Marcia Waters

KATANDRA FOOTBALL CLUB — Under 14's

Fourth's pre season training officially starts on Thursday 12th March at 5.00 p.m. Coaches are Brett Walters and Corey Wilson.

Brett will be available on Thursday nights at 5.00 p.m. starting tomorrow night (Thursday 26th February) for some informal training.

For any further information, contact Brett on 0418389115 or 58283492.

Look forward to seeing you there. ALL WELCOME
