SCHOOL COUNCIL

School Council plays a key role in our school. Participating as a School Council member is a rewarding and challenging experience. If you are interested in becoming a member of School Council, please collect a nomination form from the office. Nominations close on March 10th at 4.00pm. School Council Annual General Meeting will be held on Monday 16th March, at 7.00 p.m.

ATHLETIC SPORTS

The athletic sports day is not too far away, Monday March 23rd. To prepare the students for this day, teachers have planned practise sessions where students will have the opportunity to experience all the events that they will participate in. The first of these sessions was on Monday, I enjoyed watching the students have a go and try their best.

FULL WEEK FOR PREPS

Our Prep students will be at school everyday this week. They may find being at school for five full days tiring, I'm sure they will appreciate the long weekend. It is important for all students to get a good night's sleep to help them concentrate and participate in all school activities.

P&F LUNCH

A reminder that the P&F are providing lunches on Friday, as a fundraiser. The P&F Committee work hard to raise funds to help all of our students. It is great to see the orders come in to support this fundraiser. If you are interested in becoming involved in P&F you are most welcome to attend the next meeting, Monday March 16th after assembly.
